

An aerial photograph of a city street grid, viewed from directly above. The streets form a complex pattern of squares and rectangles. A large, white 'X' is drawn across the center of the image, intersecting at the middle. The text 'COLLEGE APP' is centered within a white rectangular box in the upper half of the image. The text 'FALL FEST' and '2020' are positioned on either side of the 'X' in the lower half. There are also some white diagonal lines in the corners of the image.

INTRODUCTION

- We have designed a robust all in one college app that caters to the various needs of a student
- **We have created** a one stop solution to the everyday needs of our college's students

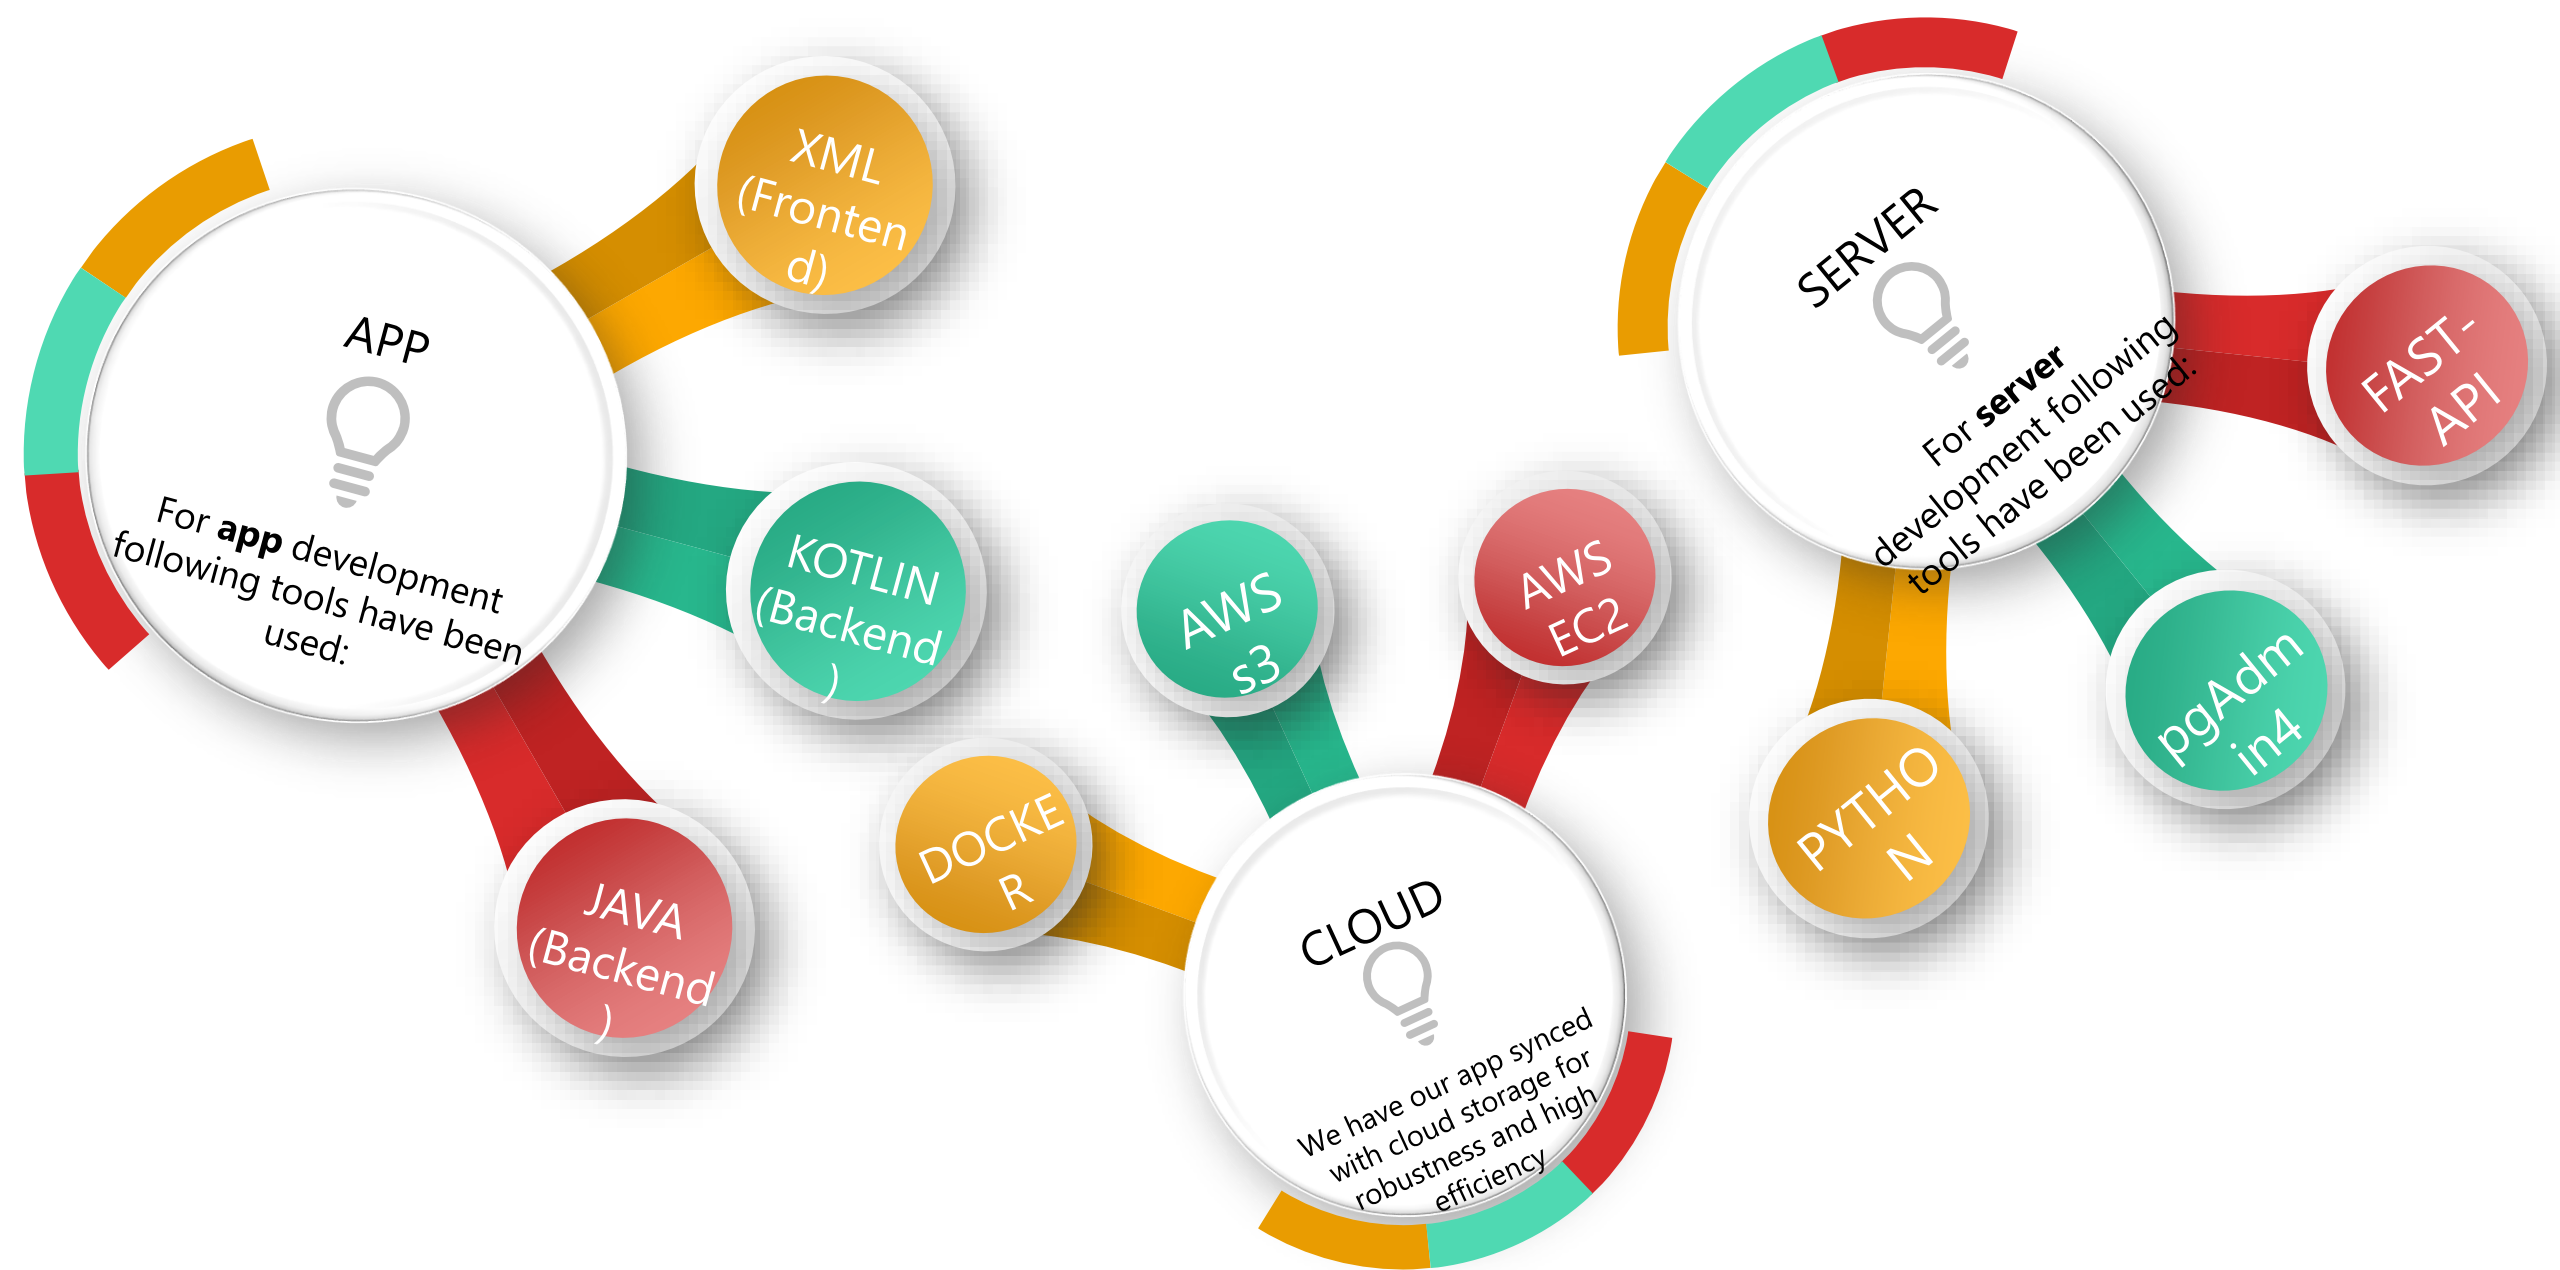

PROBLEM

There is no existing solution to connect all the students of the college on one platform

OUR SOLUTION

We have come up with this intriguing college app which apart from connecting all the college students serves various other purposes of everyday affair of a student for e.g. canteen orders, navigation , connecting with alumni, dealing easily with lost and found etc.

SEGMENTS OF THE APP

MARKETPLACE

Students can buy or sell things within their university through our app

MESSAGES

Students can interact with other students under the message section

NAVIGATE

This section is for finding direction to various areas of the college

LOST & FOUND

If someone loses or finds something they can report it in the app which will lead to easy accessibility to lost and found

IDEA-SHARING

Students can share their start-up/project ideas and find right team members, thus encouraging start-ups through our app

WHY THIS APP?

The following are the inviting facilities of our app :

INTERNSHIPS

List of internships to keep students abreast with the opportunities

WORKSHOPS

Updates about various workshops and webinars happening in college

NOTIFICATIONS

Feeds approved by the administration

CANTEEN ORDERS

Easily place orders in canteen before reaching there

STUDY-RESOURCES

Get all the books, pdfs, question-papers and various other study resources at one place

HOSTEL-FOOD REPORT

Get report of the menu of the food available in the hostel
